

Monday March 14th 7.30am in Stoke Ash Village Hall a CPR training evening was given to some of our parish councillors.

Those in attendance were our instructor Mike Favager and councillors Paul Morris, Tony Pulham, Dick & Chrissy Maisey, Val Lane, Geoff Tancred and Gordon Leggett.

Very instructive evening that we would advise more to attend when we next organise a training evening so that we can all be a help to each other if we are ever placed in a situation that needs CPR.
